Budget Estimates of the Military Department for 1904-05 received with letter no 2633 dt 29.2.04. from the Chief Commandant, Mysore State Troops.

Last year the Budgets from the Chief Commandant and the Military Assistant were dealt with separately and the procedure was objected to.

During the previous year, the Budget from the Chief Commandant was sent to the Military Assistant for being sent up in a Consolidated form from his office. May the same procedure be adopted this year?

Budget Estimates of the Mili--tary Assistant's Office and Departments under his control for 1904-05.

RECEIPTS.

XIII General Administration

(2) Government House.

1. A sum of Rs 100/- is provided under this head being the estima--ted receipts of the mango and grass crops of the Yelwal Resi--dency during the year 1904-05.

2. The actuals for the year 1902-03 as reported by the Comp--troller amounted to Rs 4004/- but a greater part of this sum comprised the value of tents made over for the use of the establish--ment attached to the Cauvery Power Scheme.

XXI.A. Military Proper

3. Under this head I have pro--vided Rs 9500/- against 1500/- of the previous year as detailed below:-

Details	1904-05	'03-04
1 Fines & forfeitures	0	0
2 Refunds - - - - -	0	0
3 Hire of Transport Ponies ---	1800	1500
4 Hire of Govt victorias-	6000	
5 Sale-proceeds of cast animals--	1700	

4. The sum of Rs 6000 shown above as hire of Govt victorias does not include the hire of car--riages lent to State Guests which is omitted as no corresponding provision is made in the Govt House Budget to meet the charge.

XXI.C. Kunigal Farm.

5. The receipts under this head amount to Rs 27500/- compared with Rs 19500 of the previous year.

6. The chief increase is under the head "Sale-proceeds of Foals" which I have raised from Rs 7500 to 17500 being the price of about 35 foals which is the approximate number I hope to breed annually for the ranks.

7. The receipts under "Farm-Pro--duce" I have reduced from Rupees 10000 to 8000 as I do not expect to realise more than the latter sum.

EXPENDITURE.

XIV.G.General Administration

(9) Government House.

8. Owing to the charges connect--ed with the pony branch of the Carriage Department having hither--to been erroneously debited to the grant of Rs 12602 provided in the Govt House Budget for the Maintenance of 12 pairs of Govt horses as noted in the margin, the above grant has always been exceeded and I have had to fall back on the savings effected

under other heads of the above Budget to meet the additional expenditure. I propose therefore providing for the pony branch of the carriage Dept separately in future, the details of which are as shown below:-

Pony Carriage Dept.

		446

per mensem or Rs 5352/- per annum.

9. The realisations under the head "Hire of Govt carriages" must I think more than cover the above expenditure. The additional cost to Govt will therefore be nil.

Note. We get Rs 300/- a month from the Cauvery Power Scheme alone.

10. The conveyances of horses and ponies by rail is another item in the Govt House Budget which will require raising.

11. People are constantly visit-ing Mysore and frequent dawks have to be laid to different places necessitating the railing down of ponies.

12. The present grant of Rs 2500 is insufficient to bear this heavy expenditure. I would therefore recommend that it should be raised by another 2000 Rupees making the

total grant under this head Rupees 4500/- instead of 2500 as budgetted for hitherto.

/3. The expenditure under the head "Entertainment of Govt Guests" has also been very heavy during the past and present years owing to the numerous guests entertained at Govt House and other places.

/4. The expenditure during the year 1902-03 amounted in aggregate to Rs 39624/- and during the past eight months of the present year it has amounted to Rs 38316 or Rs 13316 in excess of the current year's budget.

/5. As the expenditure under this head shows a tendency to rise I would suggest that the present grant be doubled to avoid the necessity of constant applications being made for re-appropriation from other heads of the Provincial Budget to meet the excess expendi--ture.

/6. The statement noted below will show in abstract the addi--tional grants asked for and the difference over last year's allot--ments under all heads.

17. Under establishment the pay of the Assistant Superintendent is omitted, vide Govt Order No Fl. 1958-9/A dated 31st January 1904 sanctioning the transfer of the amount to the Govt House Budget to meet the increase sanctioned in the pay of the Superintendent Government Stables.

18. Rs 1728 has been provided for the 18 temporary Syces sanc--tioned in Govt Order No 1504-5/64 Military dated 3rd November 1903.

19. I find that it will be nces--sary for the efficient working of the Transport Corps to provide the following hands:-

	1 Quarter Master --------	30
	1 Adjutant - - - - - - - -	30
	1 Major Duffedar - - - - -	18
X	9 More saddlers at 15/-	135

for which sanction is solicited.

20. Under repairs and renewals of carts and harness Rs 3000/- has been added as there is likely to be some heavy repairs to be done to the carts which are being tested on all kinds of rough work.

21. Under initial expenditure, the grants provided for building and carts have been omitted as these works have been or will be completed by the end of June next and no further provision on this account will be necessary.

X This will make 14 including the 5 already sanctioned. 10 of these will be told off for the 5 Divi--sions and the remainder attached to the Head-Quarter Workshop.

Government have decided to continue the encouragement of Polo in the Imperial Service Regiment and for this purpose permit the Farriers of the Regiment (16 in number) being mounted on ponies in lieu of horses.

-2. Government authorise the Horse Chunda subscription of -these men viz., Rs. 2 a month being placed to the credit of the Mule Chunda, which is a Government Fund.

3. Government will grant in aid for the purchase of these ponies the usual Rs. 250/- but this amount will after the first purchase be given in a monthly subscription.

4. In the ordinary course of events the 250/- Rs. given in aid would be debited against Government only once in 10 years. This rate would be 3/- a year or a little over Re 1/- a month.

5. Government in view of the fact that polo ponies will be cast at more frequently recurring periods than 10 years, will give a grant in aid of Rs. 3/- per mensem per Farrier's remount.

6. This monthly subscription together with 2/- Rs. Chunda of the Farriers will amount to Rs. 5/- per mensem or Rs. 60/- annually. It is thougnt that this with the price of the cast pony, which will also be credited to the Mule Chunda, should suffice for the replacement of these polo ponies.

7. In addition to the above 16 ponies , the officers will maintain 24 ponies for Regimental polo for which in original purchase Government is prepared to pay Rs. 500/-.

8. The upkeep will be budgeted for at 23 Rs. per Officers -pony and be drawn monthly by the Regiment.

Mule allowance----------14/-

Total ----------23/-

10. Sales & Purchase. The sale or purchase of any pony must be authorised by the Chief Commandant in writing and the sum credited or debited as the case may be against Mule Chunda.

To

Lieut-Col. R. G. Jones, I. A.,
Military Assistant to the
Government of Mysore

Sir

With reference to Dewan's note Submitted to His Highness on a re-appropriation Statement, sent from this office for ₹ 12000/- (Vide Proceedings of Government Military No. 3513-14, 121 of 16th May 1904) I have the honor to state that items of expenditure (such as cost to be incurred for the construction of health sheds &c on account of plague) not provided for in the Budget and those insufficently provided for, were usually debited to the savings in the Military Budget.

2 As per recent orders of Government, this system was stopped, and re-appropriation Statements, are being accordingly prepared and submitted to Government.

3 If it is the intention of Government that such statements should not be submitted, I request you to kindly obtain the sanction of Government for the increase of certain grants as noted in the margin, to enable me to adjust bills for the unexpected Miscellaneous Charges under these heads which are usually incurred when troops are ordered for special duty as on Dasara and other occasions.

4 I beg to add here that the grant of ₹ 850/- provided for Municipal taxes is also insufficient as the number of huts at Mysore has since increased and the rate of taxes for these has

also

also been raised in proportion.

5 I therefore request you to kindly obtain the sanction of Government for the increase of this grant from ₹ 850/- to ₹ 1200/- with a view to adjust taxes due on Barr huts at Chital drug and Kolar also, when the subject on which, now pending disposal by Government, is finally settled.

I have the honor to be,
